Effect of coffee Drinking on Heart

2356. SHRI DHULESHWAR MEENA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Governrnent are aware of ^he fact that a study done at the Johns Hopkins University (U.S.A.) has almost conclusively proved that coffee drinking is bad for heart;

(b) whether Gvernment have #ot such a research done in the country, if so, its findings; and

(c) *ti* ***nfi^,*** whether, Government will now consider the desirability of undertaking such a study in Ihe country?

THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI KRISHNAKUMAR): (a) It has been reported that excessive coffee drinking (more than 8 cups a day) is an independent risk factor for coronary heart disease.

(b) and (c) The Indian Council of Medical Research, an Autonomou* organisation under the Ministry of Health and Family Welfare, '..r*#er-*took* a research study on stroke and IHD in young people in which coffee was included as one of the risk factors. However no significant association was observed by the Council.

Establishment of a National testing Service

2359. SHRI DHULESHWAR MEENA: Will' the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) wheher the Association of the Indian Universities has proposed the establishment of a Nationa] Testing Service as a part of the series of the measures to reconstruct the educational system; and

(b) if so, what is Government reaction thereto?

THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCAT ION AND CULTURE (SMT. SUSHILA ROHATGI): (a) The Association has proposed the establish ment of a National Testing Service for developing tests and examinations for selection of students for admission to specialised courses and facul ties and providing services to colleges and institutions in administer- ing such examinations, or developing their own tests, etc.

(b) No decision has been taken on the proposal made by the Association of Indian Universities.

Committee for examination of the historical works

2360. SHRI 'DHULESHWAR MEENA: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whetheri Go-ernment propose to set up any committee of expert

I to re-examine our historical works;

(b) if so. by when; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF EDUCA, TION AND CULTURE (SMT. SUSHILA ROHATGI): (a) No, Sir.

(b) Does not arise.

(c) No such need has been felt.

Removal of illiteracy among women

2361. SHRIMATI MONIKA DAS: WT1 the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether Government propose to formulate special programmes for the removal of illiteracy among women in the country; and

(b) if so, what are the details in this regard?

THE MINISTER OF STATE IN THE DEPARTMENTS OF EDUCATION AND CULTURE (SMT. SUSHILA ROHATGI): (a) and (b) Under the existing programme of adult education special priority has been given *V* the coverage of women. The state GovernmentsiUnion Territory Administrations have been requested to ensure that out of the total learners enrolled at least 50 per cent should be women learners. The progress is reviewed every quarter and a_s on quarter ending September 1985, out of the total enrolment in adult education centres nearly 54 per cent were women learners. To encourage voluntary orgnisations to run literacy centres exclusively for women grant-in-aid rules have been relaxed to permit them to take up a minimum number of 5 centres. Priority is also given to the opening of adult education centres in rural and adivasi area having the literacy rate below the national average in general and female adult literacy in particular. Incentive awards were given to the State|Union Territories at State, district, block and panchayat level for promotion of aduti literacy among women of the age group 15-35 years, during the .years 1983-84, and 1984-85 *viz,* wdult literacy for women enrolment of girls and non-formal education. To develop need-based material for women a project to equip State Resource Centres with the assistance of UNICEF is being implemented. The primary objective of the project i_s to introduce a component of mother and child-care into adult education programmes for women and develop need-based primer with emphasis on health, family welfare and nutrition.

With a view to ensure enrolment of girls in the age group 9-14 under non-formal education programme central assistance on 90: 10 sharing basis has been provided to the nine educationally backward States.

Assistance to the nine educationally backward States on 80 : 20 sharing basis has also been provided for appointment of women teachers with a view to step up enrolment of girls in schools in larger numbers.

Disincentives in the Family Planning Programme

2362. SHRIMATI MONIKA DAS: Will the Minister of HEALTH AND FAMILY WELFARE *bo* pleased to state:

(a) whether there i; any proposal under Government's consideration to introduce disincentives to bring about greater success in the family planning programmes; and

(b) if so, what are the details in this regard?

THE DEPUTY MINISTER IN THE DEPARTMENT OF FAMILY WELFARE (SHRI KRiSHANKUMAR): (a) and (b) No such proposal is under consideration.
